

Neighborhood Associations People Working Together to Create Community

Neighborhood associations are for everyone.

Have you joined the neighborhood association for area?

In recent years, many people have pointed out the necessity of city planning that encourages interaction, friendship and good will at a community level.

The first step to becoming part of the local community is to take the time to greet and talk with not only your neighbors', but the other people living in your area.

Neighborhood associations promote interaction, friendship and goodwill between members of the local community, and are playing a leading role in making Koshigaya a friendly and caring city, where people help each other and lead enjoyable lives.

In the same way, it is you and the other people living in Koshigaya who play the leading roles in the local community.

Do you not think that people living in the same area becoming friends, helping each other and working towards creating a better living environment is something that is very important for everyday life at a local level?

The members of the neighborhood association in your area are waiting for you.

◇ Activities carried out by neighborhood associations:

1. Assisting with crime prevention, disaster preparedness and traffic safety activities.
2. Carrying out environmental beautification activities such as cleaning drains and gutters, collecting rubbish and recyclable items and so on.
3. Assisting various community welfare initiatives.
4. Holding social events such as *bon-odori* and sports days.
5. Distributing Koshigaya City's community newspaper.
