

Main Child-Rearing Support Services in Koshigaya City

Service	Detail	Eligible Person	Fee	Section in Charge	Procedures
1 Childbirth & Child-Rearing					
Mother and Child Health Handbook	A "mother and child health handbook," prenatal checkup coupons, newborn hearing screening coupons and postpartum medical checkup coupons are distributed to pregnant women.	Pregnant women	Free	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179	Submit a pregnancy notification to Children and Families Support Center as soon as possible after the pregnancy is confirmed by a doctor. Notification forms are available at the City Office and on the city website.
Support Program for Childbirth and Child-rearing	An integrated support system that combines "consultation and counseling support" and "financial support" is implemented. This system provides continuous guidance and consultation from pregnancy through child-rearing, while also connecting individuals with the necessary support that caters to their specific needs.	Pregnant women Those who have given birth	Free	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179	【Consultation and counseling support】 Interviews and other forms of support are conducted at the time of submitting the pregnancy notification, around the 8 months period of pregnancy and after submitting the birth notification. 【Financial support】 After completing interviews and questionnaires, you'll receive 50,000 yen when reporting your pregnancy and another 50,000 yen per newborn after childbirth, all through electronic applications.
Support Program for Families	Cash Benefit is provided to support child-rearing households as a gift for their new born baby.	Households with a newborn registered to the basic resident system	—	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179	A cash benefit of 10,000 yen is provided for each newborn child. In principle, parents/guardians can apply for this benefit when submitting the birth notification and applying for the eligibility certificate to receive Children's Medical Expenses Subsidy.
Mother's Class Parents' Class	Classes are available for learning about pregnancy, childbirth and child-rearing. The course will be for three days. Please attend as a couple on the third day. 【Contents】 Day 1: Orientation, Dental health Day 2: Pregnancy through postpartum life, prenatal exercise and nutrition for pregnant women Day 3: Practicing how to bathe and take care of a newborn baby. "Experiencing what it's like to be pregnant" (for husbands)	Those who are in the 16th week through 28th week of pregnancy and their partners ※Those who are pregnant for the first time are prioritized.	Free	Health Promotion Section (Municipal Health Center): 048-961-8040	The yearly schedule is distributed with the information materials received together with the "mother and child health handbook". Confirm the dates of the classes on the city website or "Koshigaya Health Care Guide", and make a reservation (electronic application) at the Health Promotion Section (Municipal Health Center). Reservations will be accepted on a first-come-first-served basis. Reservations will be closed when the number of participants reaches its capacity.
Prenatal Checkups	14 prenatal coupons will be distributed with the "mother and child health handbook". Receive prenatal care regularly for a healthy pregnancy and delivery.	Pregnant women	Must pay the amount that exceeds the upper limit covered by coupon.	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179	Present your prenatal checkup coupons (14 publicly subsidized checkups) together with the "mother and child health handbook", to the medical institution during prenatal checkups. The coupons can only be used at designated medical institutions. If prenatal checkups are taken at undesignated medical institutions, another procedure is required after giving birth in order to receive subsidy. (Receipts are required.)
Medical expense subsidy for mothers health checkup after giving birth	When pregnant women receive a mother-child health handbook, they will also receive a coupon for a medical checkup which takes place from 2 weeks to 1 month after delivery. Since this checkup is very important for the mothers' mental and physical health, be sure to have a checkup.	For mothers who took a medical checkup	Must pay the amount that exceeds the upper limit covered by coupon.	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179	Present your coupon for mothers' medical checkup (1 publicly subsidized checkup) which you received with the "mother and child health handbook" to the medical institution. Please note that the coupon can be used only at designated medical institutions. If the checkup is taken at undesignated medical institutions, another procedure is required after giving birth in order to receive the subsidy. (Receipts are required.)
Medical expenses subsidy for health checkup of women with multiple pregnancies	Women who are pregnant with more than one baby should have prenatal checkups more frequently, compared to those who are pregnant with only one baby. Considering the increased financial burden of those who are pregnant with more than one baby, they will receive up to 5 extra subsidized checkup visits in addition to the usual 14 visits. (The system applies from April 1st 2022.) *Copayment is not covered.	Pregnant women who received an additional mother-child health handbook	Subsidy covers 5000 yen at the most per visit and, up to a maximum of five times.	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179 (Municipal Health Center): 048-961-8040	Please fill out the application form and submit it along with other necessary documents to the department in charge. You can get the form by downloading through the city website or directly visiting the counter. (Receipts are required.) For the details, please refer to the city website or give the staff in charge a call.
Vaccinations	Vaccinations for Rotavirus, BCG, DPT-IPV-Hib, hib, pediatric pneumococcus, MR (measles & rubella), Chicken Pox, Japanese encephalitis, hepatitis B, human papillomavirus and DT (diphtheria & tetanus) are available: 【Items to bring】 ① Medical interview sheet for Vaccination ② Mother and Child Health Handbook	Children of eligible age	Free	Health Promotion Section (Municipal Health Center): 048-960-1100	The vaccination coupons will be mailed when the baby becomes 2 months old (except for the period 2 of MR, Japanese Encephalitis, DT, and human papillomavirus). Check the details in "Koshigaya Health Care Guide" or at the city website. Contact the Health Promotion Section (Municipal Health Center) if you have newly moved to Koshigaya or wish to receive vaccinations outside Koshigaya City.
In-hospital Midwifery Service	If a pregnant woman is unable to receive in-hospital midwifery care due to economic reasons in spite of the necessity in terms of healthcare, she is able to receive it at an approved midwifery home.	Pregnant women	Must pay expenses depending on income.	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9319	Contact the section in advance.
Birth Registration	Birth Registration is required when a baby is born. 【Items to bring】 ① Birth Registration Form ② Birth certificate from a doctor or a midwife ③ Mother and Child Health Handbook	Father or mother of the baby	—	Citizen's Affairs Section: 048-963-9192	The mother or father has to register the birth of the child within 14 days after the baby is born at the permanent domicile or at the municipality where he/she lives.
Visit to Expectant Mothers, and New Born Babies	A midwife or a health nurse visits pregnant women or mothers with newborn babies to give advice on child-rearing, etc. They make a phone call to make an appointment for home visitation. 【Contents】 • Measurement (weight/height) of the baby • Consultations about baby's growth or development, child-rearing, breast-feeding and mother's health • Information on administrative services • Consultation about daily life during pregnancy	• All mothers with a baby younger than 4 months old • Pregnant women who are anxious about pregnancy and delivery	Free ※Visitation with a midwife is only after giving birth.	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179	Fill out the birth notification card (received together with the "mother and child health handbook"). Submit the card to the Citizen's Affairs Section or Child Welfare Section at the City Office or Northern & Southern branch offices when applying for eligibility of the child to receive medical expense subsidy. Those who are pregnant should contact the Health Promotion Section (Municipal Health Center).
Support after Giving Birth or Postpartum Support	A midwife offers consultations on the mother's concerns on physical or mental health. Assistance is also offered on how to take care of a new-born baby (hands-on care such as bathing a baby, breastfeeding care, etc).	Mothers of babies younger than 4 months old, who are registered residents in Koshigaya City and seeking for midwife's visit for consultation on caring for their babies.	Confirm the fee with midwife when making appointment. ¥1,000 of subsidy will be provided (only once) by the city.	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179	Fill out the coupon for postpartum support (received together with the "mother and child health handbook") and submit it to the midwife (or birth maternity nurse) outsourced by Koshigaya City. The mother can receive care through home visitation or directly at a maternity clinic, etc.
Postpartum care "HAGU"	Professionals such as midwife support mothers who need help to take care of their children after childbirth. *There is a screening process to be able to use this service.	Mothers of babies younger than 1 month, who cannot be supported enough by their family and have mental or physical issues.	10,000 yen per night (2500 yen discount coupon is available for a night.) 2000 yen per daycare service, 500 yen per visit	Children and Families Support Center (City Office, 2nd Bldg. 2F): 048-963-9179	Contact the Children and Families Support Center from two months before the delivery date to about one month before the desired date to use the service.
